

**PUBLIC PARTICIPATION NOTIFICATION FOR A SECTION 24G APPLICATION IN TERMS OF SECTION 24G OF THE NATIONAL ENVIRONMENTAL MANAGEMENT ACT, 1998 (ACT NO. 107 OF 1998): ON PORTION 9 OF THE FARM LOT K 26 NUMBER 12453 GV FOR REINHARDT TRANSPORT GROUP WITHIN THE MFOLOZI LOCAL MUNICIPALITY, KZN**

Notice is hereby given in terms of the National Environmental Management Act, 1998 in respect of listed activities that have been triggered by application. The applicant has conducted the activities below without the necessary environmental authorisations and is now applying for *ex post facto* approval.

**Activity:** Reinhardt Transport Group has conducted the following activities: LN1#31 for the decommissioning of historical diesel tanks, LN1#14 for the development of new diesel tanks, LN1#51, the expansion of diesel storage and LN1#65 phased activities relating to the storage of diesel on site.

**Environmental Authorisation Process:** Prescali Environmental Consultants (Pty) Ltd has been appointed to undertake the Environmental Authorisation process in terms of the National Environmental Management Act, 1998 (Act No. 107 of 1998) read with the Section 24G Fine Regulations as amended in 2017. The environmental authorisation application is subject to a Basic Assessment process and will be submitted for approval to the KwaZulu-Natal Department of Economic Development, Tourism and Environmental Affairs.

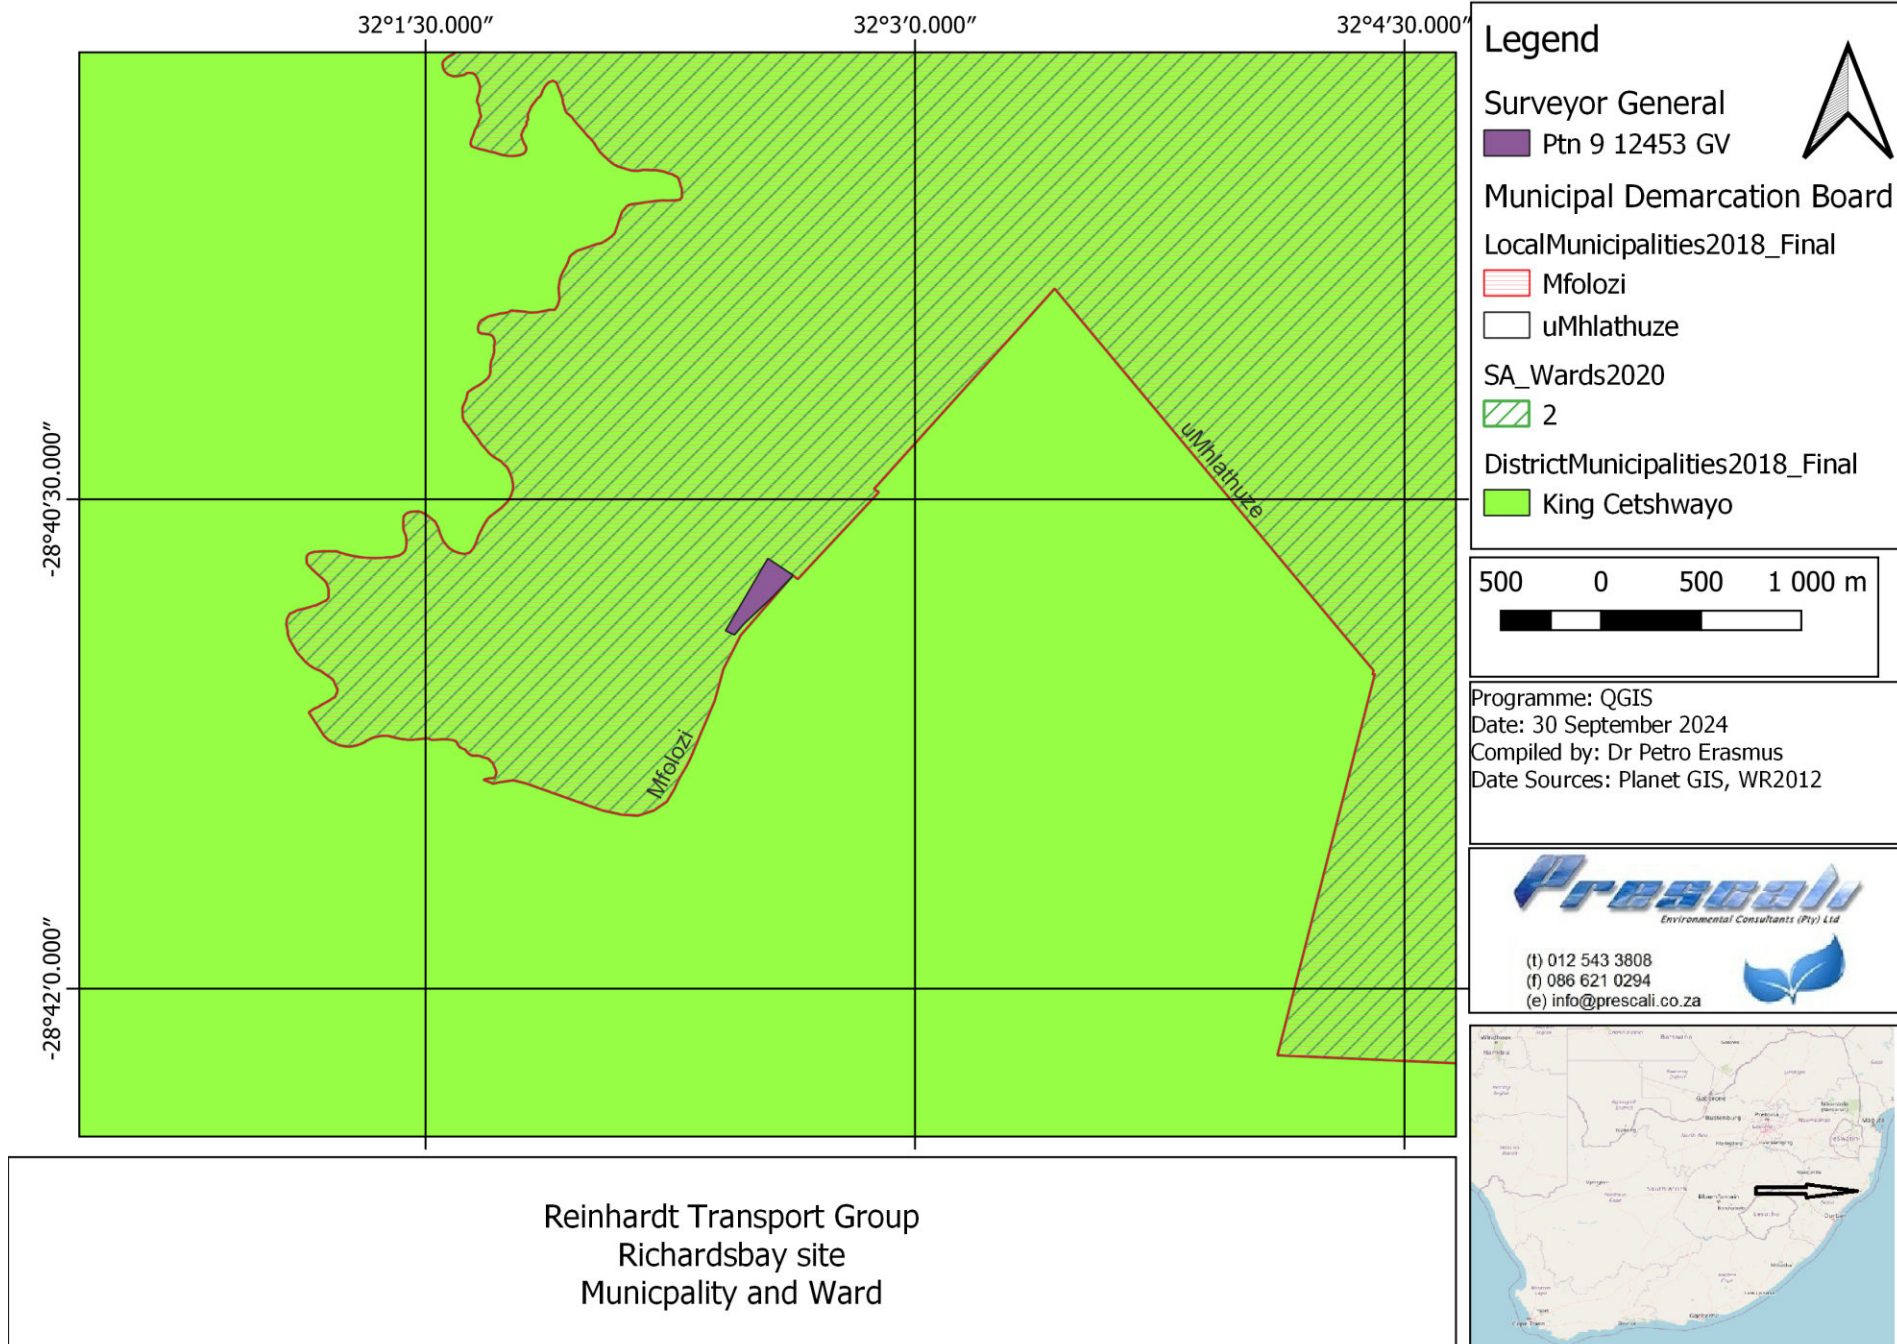

**Public Participation:** The purpose of the public participation process is to inform Interested and Affected Parties (IAPs) regarding the proposed application and environmental authorisation process. IAPs will also be provided with the opportunity to comment on and contribute to the identification of environmental impacts of the activities. During the pre-application public participation process, IAPs will be granted a period of 30 days (from the date of this notice) to register as an IAP.

**Consultation Meeting:** During the main public participation phase, Prescali will host a meeting in compliance with applicable regulations that may or may not prohibit large gatherings. Details pertaining to the date(s) and location(s) of the meetings will be forwarded to registered Interested and Affected Parties. The purpose of the meeting(s) will be to introduce and discuss the proposed project and any identified environmental impacts.

**Should you wish to register as an interested and/or affected party of if you require further information on the abovementioned application and/or proposed project activities; please submit your name, contact information, interest and comments or relevant issues on the matter in writing before or on 31 May 2026 to Prescali Environmental Consultants :**
